This historic ranch is located on the western slopes of Wyoming's Big Horn Mountains. Our horses are still raised to work; everyday in every type of weather. They are run out in tough country. We ride all of our horses; geldings, mares and stallions. Our Ranch allows us to produce good, solid, well minded horses that can excel in any situation. This is a unique opportunity to take your pick of our best.

***It only happens every 5 Years.***
